Year R stay and play afternoon

Now that the children have settled into their new school routines and have begun to create some fantastic art work, we would like to invite you to come in and join us for an afternoon of play! This will give your children the opportunity to 'show off' their new classrooms, pegs and books and also give you the chance to see what they have been up to. We will open the classroom doors at 2.30pm on Tuesday 21st October for you to be able to come and join us. Please can we ask that it is only one parent or carer and unfortunately we will not be able to invite younger sibling due to the sizes of the classrooms. We will add a reminder to the classroom door calendars nearer the date. Thank you in helping us with this new, exciting journey for your children. We appreciate that it is also a huge new step for you as parents/ carers so it will be lovely for you to get the opportunity to see what happens in school when the door closes. We look forward to welcoming you in
