10th October 2025

Year R parent reader volunteers

Next week the children will be coming home with either their very first school book or story card! The children have been working extremely hard on their sound and phonic knowledge and are now beginning to implement this in their reading. As you can imagine, trying to read with up to 30 children every day in school is nearly impossible so we really rely on parental support. We are offering a very informal meeting in school for those parents who are considering volunteering and becoming a parent reader. This will take place on **Wednesday 22nd October at 3pm**. Please come to the school office. During this time we will explain the process we follow in school and answer any questions or worries you may have regarding volunteering. It is crucial that if you are looking to participate in becoming a parent reader that you have begun to complete the relevant paperwork to gain your DBS check (disclosure and barring service check). This is a very simple check that is carried out to make sure that you are a safe adult to have in school. This should not take too long to complete and can be started straight away online through the below link. Once you have filled in the form, please let the office staff know via parent mail so they can complete the check. We really look forward to having you in school and appreciate the support that you have given us so far.

The Year R team
