Supersonic Phonics Friends Presentation

Dear Parents/Carers,

We would like to invite you to a presentation about our Phonics Scheme Supersonics Phonics Friends on Thursday 6th November. We will be running the presentation at 6pm and it will take place in the school hall, which you can access through the bottom door by the Year 1 and 2 playground.

The presentation will give you an insight into how Phonics is taught in school and how it is used to support children's reading. You will also be given information about Phonics terminology and ideas for activities and games you can use at home.

It should last for approximately 45 minutes and it is hoped that as many of you as possible will be able to attend. It will be an interactive presentation giving you the opportunity to get involved and develop a greater understanding of how your children learn to read.

The evening is aimed at parents only and we therefore ask that children do **not** attend.

We look forward to seeing you.

Sam Flodman
English Lead
