Dear Parents/carers,

Your child will have brought a resource pack home today. They are for you to use at home to support their learning. Please can we ask that these stay at home and taken out of the book bags so they do not get confused with school resources. These are for you to use at your leisure and provides a great opportunity for you to become involved in your child's learning and development.

In the pack:

Number cards to 20

Activity ideas: Recognise numbers to 10 initially and then to 20.

Matching

1 more 1 less

What number is missing (sequence of numbers)

Phase 2 and 3 sound cards

Activity ideas: Recognise the letter sounds

Build CVC words

Please only use the sounds already introduced to the children. These will be in the weekly mailing on the school website once we start formal phonic lessons.

If you have any questions, then please feel free to speak to your child's class teacher.
