6th November 2026

Dear Parent/Carer,

For our home challenge this half term we are asking for the children to come into school dressed as what job they would like to do when they are older. The possibilities are endless but please can we ask that we do not have super heroes/princess dresses and that the jobs they choose are real life careers. We do not want to crush children's dreams or aspirations however we want it to link to our topic of people who help us. We will be taking part in our jobs day on **Friday the 27th November** so plenty of time to come up with some wonderful ideas.
During our topic we have been lucky enough to secure some extra special visitors including paramedics, a midwife, teacher and even a police officer! If you would like to come in over the next half term to talk about your job and the role it entails then we would be really grateful. Please speak to your class teacher and then we can arrange dates to come in to visit. We would love to educate the children on as many different job roles as possible.
Thank you for your support

The Year R Team
