6th November 2026

Dear Parents/carers,

WOW – Walk to school challenge is a key initiative that our school takes part in every year to help promote health and wellbeing to all members of our school community as well as helping reduce our carbon footprint and help the environment.

As part of this, we look at how our children travel to and from school and the reasons behind those choices you as parents make. Therefore, we would be very grateful if you could take a few minutes to complete an online survey about your travel to and from school:

Parent Travel Survey September 2026 – Fill in form

The survey closes on **Friday 20th November** so please complete by then.

We would really appreciate as many participants as possible to show a more accurate number. Thank you in advance for supporting our school and continuing to keep our ground a safe and healthy place!

Many thanks,

Mrs Mackenzie
School Travel Manager
