

Dear parents/carers,

The children in Ladybird class have worked extremely hard to achieve their class charter this half term. This means that they have followed the rules that we set together in September and have earned 10 spots on our class Ladybird.

As a special charter treat, we are going to celebrate by having a polar express experience; including hot chocolate, film and some extra special surprises throughout. Please can the children come to school in their pyjamas so that they are comfy for the film. Please be reminded that the children will still be following the curriculum in the morning therefore will still be outside. Appropriate footwear and warm outer clothing will still be needed.

Our Charter treat will take place on Monday 15th December, straight after the school Christmas lunch.

Thank you
Mrs Page and Mrs Clarke
