

Dear parents/carers,

The children in Butterfly class have worked extremely hard to achieve their class charter this half term. This means that they have followed the rules that we set together in September and have earned all 10 parts of our Butterfly.

As a special charter treat, the children would like to have a balloon party, make iced biscuits and watch a film.

This treat will take place on **Monday 15th December**, straight after the school Christmas lunch. You do **not** need to provide anything.

The children are welcome to wear their **own clothes** on this day.

Please be reminded that the children will still be following the curriculum in the morning therefore will still be outside. Appropriate footwear and warm outer clothing will still be needed.

Many thanks,
Mr Effer and Miss Difford
