Dear Parent/Carer,

The children had their first visit to the school library this week and have brought home their first book. This is for you to share with your child over the week in addition to their school reading book. A reminder that some children may have a school reading book which they can decode and another which is based on our current phonic level and may be a share book depending on how your child is blending and segmenting.

The children will be attending weekly school library sessions every **Thursday** and this will be your child's opportunity to change their library book. We ask that you ensure that the library book is back in your child's book bag for this as there will not be another chance through the week for us to visit as the other years groups have their allotted time. We understand that some of these books are a little bulky and heavy so we do not expect them to be present every day. It may be a story book, non-fiction or another genre of reading. This book is about reading for pleasure and not segmenting and blending.

Thank you for supporting us and your child with their reading journey. We hope these visits will encourage a deeper love and enthusiasm for reading across the year group.

Many thanks

Year R Team
