Dear Parent/Carer,

We wanted to make you aware of some curriculum changes that we are making in Year R to enhance the provision we are providing. We will be making sure that activities provided during Fab Funky Friday are available throughout the week, making our continuous provision even more fab and funky! This means that we do not need the children to come to school in outdoor clothing on a Friday anymore. HOWEVER the children will still be taking part in fire sessions throughout the term so please make sure you are keeping up to date with the classroom bulletin boards to see when it is your child's turn at the fire. This means that some classes may be in uniform and others will not. From next week (WC 2nd March) we are expecting all children, apart from Butterfly class to be in their uniform on Friday.

We are also changing our PE day which will impact the day your children need to come to school in their kits. Our new PE day will be Tuesday. Please ensure that you are following the same requirements as you would on a Thursday.

To clarify:

Monday - School uniform

Tuesday - PE kit

Wednesday - School uniform

Thursday - School uniform

Friday - School uniform unless at the fire (Please check your class bulletin board)

We hope you understand that these changes have been made to ensure that your child is getting the best provision that we can offer. If you have any questions, please speak to your class teacher.

Thank you for your understanding.

Year R Team
