

Our School Milk Scheme

From 5th January 2015 our school will be providing a milk scheme administered by Cool Milk offering free school milk to all under-fives and subsidised milk for pupils aged five or older at around £15.00 a term.

Each pupil that registers with Cool Milk will receive a carton of fresh semi-skimmed milk every day. Their school milk will not only provide them with essential nutrients but also it is rehydrating and energy booting so it bridges the gap between breakfast and lunch to help the children stay focussed. Please note that the free fruit scheme will remain in place. Find out the top ten reasons to drink school milk at www.coolmilk.com/whyschoolmilk.
