Dear Parents/Carers

### Cool Milk

The School Food Plan's new legislation on milk came into effect on January 1st 2015. From this date schools were required to offer milk to all children aged 4-18 years.

Please go to <https://www.coolmilk.com/parents/> to register your interest:

- **ONLY** children under 5 years old will be eligible for 'free' milk - as soon as your child has his/her 5<sup>th</sup> birthday you will be charged;
- If you do have any queries the website contains an email address, plus a telephone number for you to access;
- Once you have signed up to the scheme the organisers will notify the school of the names of the children who are to receive the milk;
- The school will **ONLY** be responsible for storing and distributing the milk - we will **NOT** be collecting payment or involved in any other aspect of the scheme.

Thank you
