

# Hatch Warren Junior School

We all hope that you have enjoyed your time at Hatch Warren Infant School. We have certainly enjoyed having you with us over the past few years.

Soon it will be time for an exciting new move and you will be starting at Hatch Warren Juniors.

At Hatch Warren Junior School there are new grown-ups to meet...

This is Ms Bryant, The Head Teacher.

This is Mrs Thomas, the Deputy Head Teacher.

Class 1 Teacher will be Miss Smith

Class 2 teacher will be Mrs Chappell

Class 3 teacher will be Mrs Bishop

Hatch Warren Junior School will have lots of similar things to Hatch Warren Infant School.

It has a library, a hall, an office, classrooms, a music room, playgrounds, a field, extra learning rooms, toilets and a staffroom.

School hall

Here is an example of what the inside of the classrooms look like.

Everybody will be given a locker.  
Where you can put your bag, coat and  
P.E kit in.

The Juniors have a fantastic set of playing spaces.

When you have all settled in, you will be able to  
choose which of the playgrounds you would like to  
play on.

There is an area called the Muga where lots of sports are played like football. Lastly, there is a trail area to balance and play on. These have set days when each year group can take turns using them.

Teachers can take you to do your learning outside.

We wish you all the best in your school.

Have a fantastic summer holiday!

Take care and stay safe,

Love from,

Everybody at Hatch Warren Infant School
