QMC Science Centre trip - Year R

Dear parents/carers,

This year we are very fortunate to have been given the opportunity to visit the QMC Science Centre with the children. These visits and the transport are completely free and will be extremely beneficial to inspire and excite children through practical scientific enquiry. The visits will be taking place on **Tuesday 8th and Wednesday 9th of July 2025**. Each class have been given a half-day session and will be taken to the Science Centre to take part in exciting activities linked to their current Science topic in school. The days and times for each class are as follows:

Tuesday 8th July AM: Bumblebee
Tuesday 8th July PM: Ladybird
Wednesday 9th July AM: Butterfly

Please can you ensure that your child is at school **promptly** on the day that they are attending as transport has been arranged to begin by 9:10. Please can you also ensure that your child is in full school uniform.

Finally, as the children will be eating their lunch at the Science Centre, a packed lunch will be needed on the day your child is attending the trip. We will be needing some extra helpers for each outing so parents that have DBS checks through the school and that are able to help, please speak to your child's class teacher beforehand.

We are very much looking forward to attending these visits and hope that this is something that will continue on a yearly basis.

Thank you for your continued support

The Year R team
