7<sup>th</sup> February 2025

Dear Parents/carers,

As part of our PSHE curriculum we are holding a **Disability Awareness Day** on **Thursday 13<sup>th</sup> February**.

Each year group will be focusing on a different disability, understanding how this disability can affect people and more importantly learning ways in which people overcome their disability. Year R will be focusing on blindness; Year 1 on different types of hearing loss and will have a visit from a hearing dog and its trainer; Year 2 will be focus on wheel chair users and will even get to have a go in a wheelchair!

In order to run this day, we have had help from Hearing Dogs and Shop Mobility Basingstoke and as our way of saying thank you we would like to raise some money for them. So on this day the children can come in **non-uniform** in return for a monetary donation. We will then split the money between the two charities, giving a little something back.

Thank you for your support.

Louise Weston  
PSHE Subject Manager
