

Year 1 Summer 2 Newsletter

Dear Parents/Guardians,

Welcome back to our final half term of Year One. We hope you had a relaxing half term break and enjoyed the weather. Our topic for this half term will be 'Farms'. The children really enjoyed their day at the farm on Monday and were a really credit to the school. We are looking forward to finding out more about farms and creating our own books and poems about them.

If you have any queries, please speak to us on the door in the morning or at the end of the day.

Home Challenge

Below is an optional challenge for this half term. It's a chance to get those creative juices flowing in both art and poetry. We would like the children to produce a picture of any farm animal they like and write a short simple poem about it. It doesn't have to rhyme! Your picture could be a collage, painting or any other medium. Be as imaginative as you wish. We love surprises! We would like the children to perform their poems so please help them to practise reading aloud.

Please bring in your completed picture and poem on Friday 27th June.

Reading

It has been lovely to see the photographs of the children who have been caught reading at home and the variety of different books they have been reading. Please remember to bring in your library books every Thursday so that they can be changed ready for the weekend. Well done to all those children who read at least 15 times at home last half term.

Please ensure children are wearing their PE kits to school on their PE days and have a sunhat with them as we hope the warmer weather is here to stay! If your child has their ears pierced, please ensure their earrings are either removed or have tape covering them before they come to school on PE days. Please can long hair be tied back too.

The normal PE days are as follows:

Squirrel Class: Monday and Tuesday

Fox Class: Monday and Wednesday

Otter Class: Monday and Friday
