Year R Dinosaur Day!

8<sup>th</sup> May 2026

Dear Parents/carers,

We are inviting you to attend an extra special "Dinospectacular" where the children will be making their own dinosaur pizzas. You will help the children decide whether they are going to make a pizza for a carnivore, herbivore or an omnivore. These pizzas will then be designed, made and cooked in school ready to be eaten together. We would love for you to come into school on **Tuesday 19<sup>th</sup> May at 1.30** ready to participate in our special event. Please ensure that you are outside your child's classroom door for a prompt start so we can make sure that everyone gets their turn to make their pizza. You do not need to provide any of the ingredients as we will already have these in school. We are asking that young children and siblings are not brought to this event. Due to the classrooms being small we are asking that one grown up per child attends the session. This can be a grandparent or other relative if you cannot attend. We look forward to seeing you in school and see how tasty our pizzas are.

Many thanks  
The Year R team
