

Dear Parents/Carers

We are delighted to inform you that the children of Ladybird Class have achieved all 10 spots for their Ladybird! They have done this by following the 3 promises we sent home to you earlier this year.

We are planning to celebrate this achievement on the morning of **Wednesday 20th May**. The children have voted to have a dinosaur disco! The children can come to school in disco clothes or dress up as their favourite dinosaur. The children have decided to decorate their own biscuits to have at the disco.

Yours sincerely,

Mrs Page and Mrs Clarke
