## Message from Mrs Boorman

What another fun four days we have had this week!! The children and staff have enjoyed a fun filled day outside today in the sunshine. Why not ask them what they have done?

Please email any completed homework to:

YR-Homework@hwis.hants.sch.uk<sup>1</sup>

Y1-Homework@hwis.hants.sch.uk<sup>2</sup>

Y2-Homework@hwis.hants.sch.uk<sup>3</sup>

Please remember that tomorrow is an INSET day so school is **closed** to all children. We look forward to welcoming you all back to school on Monday 1st June for the start of the final half term of the academic year. Where has the time gone??

Have a lovely warm half term break!

INSET dates:

## Year R

What a busy last week we have had! We have loved finding out about Mary Anning and why she was so important in history. Thank you to all the grown ups that came in to support our dinosaur pizza making. I think we can all agree that the adults and children had lots of fun. We also enjoyed our charter treats and outdoor learning day. We are definitely all ready for a relaxing break ready for our last half term in Year R.

## Year 1

What a fun final week we have had! This week we finished creating our beautiful flower canvas masterpieces and they will be available to purchase after the half term break. All proceeds from the sale will be used to buy much-needed resources for the children. We also designed, made and evaluated our own healthy lunch. We had a lot of fun making and eating our tasty wraps! We ended the week with Outdoor Learning Day and had lots of fun using remote control cars, Bee-bots, parachutes, the play equipment and PE equipment. The children practised using positional and directional language during these activities. We hope you all have a wonderful week and we look forward to seeing you when we return.

## Year 2

The children have had a fantastic week! They have all made their own parks out of straws. They followed their designs and had a fantastic time playing with them. In maths, the children have been learning about units of measure. They have been measuring length, mass and capacity as well as reading scales. We all had a fantastic outdoor learning day! The children enjoyed water play for capacity, using magnifying glasses to draw objects up close and even a visit to the park! We hope you all have a lovely half term!

Bag for School Monday 8th June

The children came home with a Bag for school last week. Please fill with any good quality clothes you no longer want. Please return any filled bags to school on Monday 8th June by 9am to the school carpark. Thank you

## General Reminders

- **Allergies - Please remember we are a nut and shellfish free school. Please ensure items containing these are not sent in to school in your child's lunchbox.**
- **Punctuality** - A reminder that the classroom doors open between 8.45 – 9am to enable a staggered drop off. We have noticed an increase in lateness in some children. This impacts hugely on their learning so please ensure your child is in school on time. If punctuality continues to be a concern, schools have a responsibility to follow this up with possible legal action.
- Please do not play or kick balls or ride scooters on the playground during school drop off or pick up.
- *If your child has a medical appointment and is going to be late in to school you will need to order their lunch in advance. Please let the office know which lunch option they would like at the same time you advise of the appointment (or check with the office the lunch options that day if you need to).*
- *The play equipment **must not** be used before or after school – our insurance is not valid. **Children have been told that if they are caught using the play equipment before or after school, they will lose dojo points.***
- We are looking for some volunteers that may be able to commit to helping in school on a regular basis. This may be to get experience of working in school before completing childcare training or just because you have some spare time on your hands and would like to be involved in school life. You could help with the library, gardening, run small groups or help hear those children that don't read at home. If you are interested in this,

please email [parent.mail@hwis.hants.sch.uk](mailto:parent.mail@hwis.hants.sch.uk)<sup>4</sup>. We would need to initiate a DBS (safeguarding check).
