

# Newsletter HWIS 5th June 2026

## Message from Mrs Boorman

What an amazing first week back after the half term break - the children have come back in fabulously!!

A reminder that sport's day is planned for 26th June with a 10am start. It will be a fabulous day for children, staff and parents as it is kindly being supported by MAGNA staff. We are grateful to their commitment to support the event.

Please remember to bring any Bag to school clothes bags to the car park by 9am on Monday 8th June.

Have a lovely, relaxing weekend.

## Year R

Welcome back. This week we have been finding out about the world cup and the countries that will be playing. Each child has chosen a country to support and find out more about for their home challenge. Please see letter sent home with the country your child has chosen. We have been focusing on our amazing sentence writing this week and have been coming up with some amazing ideas using our basics three sounds. In maths we have been looking at missing numbers to 20 and had to work out the correct order. Your child has also brought home a Sports day slip to tell you what colour team they will be in. Please check bookbags or ask your child's class teacher if this has not yet come home.

## Year 1

Welcome back for our final half term together in Year One! We have started our new topic and have begun learning all about farms. We are really looking forward to our visit to the farm on Wednesday 17th June and there is a letter in this week's mailing giving you further information about the trip. The children enjoyed using collage to create a farm scene ready for their DT projects; they were very creative. Our new book for English is Oliver's Vegetables. We have been very imaginative and come up with interesting adjectives to use to describe the vegetables that appear in the story. In Maths we have started thinking and learning all about time, looking in particular at o'clock times. We hope you all have a lovely weekend.

## Year 2

The children have had a super first week back after half term. In maths, they have been using their position and directional knowledge to solve problems, sequences and play games. We have also started our new Summer topic looking at seaside. In geography, the children have been discussing human and physical features and looking at seaside towns. We have also started a new learning journey using the story 'The Lighthouse Keeper's Lunch'. The children have been looking at some very interesting vocabulary choices from the story and trying to use them in their writing.

REMINDER - Bag for School Monday 8th June

Please fill with any good quality clothes you no longer want. Please return any filled bags to school on Monday 8th June by 9am to the school carpark. Thank you

## Letters home

**Letters Home** (<https://www.hwis.hants.sch.uk/letters-home/>):

22nd May 2026

6th July 2026

### **Inset Days for 2026-2027**

1st September 2026

23rd October 2026

12th February 2027

28th May 2027

5th July 2027

## General Reminders

- **Allergies - Please remember we are a nut and shellfish free school. Please ensure items containing these are not sent in to school in your child's lunchbox.**
- **Punctuality** - A reminder that the classroom doors open between 8.45 – 9am to enable a staggered drop off. We have noticed an increase in lateness in some children. This impacts hugely on their learning so please ensure your child is in school on time. If punctuality continues to be a concern, schools have a responsibility to follow this up with possible legal action.
- Please do not play or kick balls or ride scooters on the playground during school drop off or pick up.
- *If your child has a medical appointment and is going to be late in to school you will need to order their lunch in advance. Please let the office know which lunch option they would like at the same time you advise of the appointment (or check with the office the lunch options that day if you need to).*
- *The play equipment **must not** be used before or after school – our insurance is not valid. **Children have been told that if they are caught using the play equipment before or after school, they will lose dojo points.***
- We are looking for some volunteers that may be able to commit to helping in school on a regular basis. This may be to get experience of working in school before completing childcare training or just because you have some spare time on your hands and would like to be involved in school life. You could help with the library, gardening, run small groups or help hear those children that don't read at home. If you are interested in this,

please email [parent.mail@hwis.hants.sch.uk](mailto:parent.mail@hwis.hants.sch.uk)<sup>1</sup>. We would need to initiate a DBS (safeguarding check).
