Message from Mrs Boorman

Year R

The children have had been superstars in the extreme heat this week! We have been thinking about our favourite minibeasts and writing facts about them. In Math's we have been looking at different amounts of feet and how many different animals, people or minibeasts we would need to make 10 for example a frog (4) and a ladybird (6) makes 10. We have been working hard the last couple of weeks on a special end of year masterpiece as a memory of our special time in Year R. A letter in the mailing this week explains what we have been doing and invites you in to our art sale to purchase this extra special creation. There is also an updated letter regarding the sunflower diary challenge. Have a lovely, cooler weekend.

Year 1

We would like to say a huge thank to all the children and parents this week for your prompt collection of the children and all your kindness towards the staff. The children have been brilliant and coped well with the heat. We have talked a lot about sun safety this week as part of our learning and enjoyed putting our ideas into practice by eating ice pops and cooling our feet in trays. We have not set any maths homework this week so please take the time to relax and cool down! Have a lovely weekend.

Year 2

As part of their transition, this week Mrs Odgers took Year 2 children in small groups across to the juniors. Owls, Hedgehogs and Badgers all had a nice informative tour with Mrs Serreau-

Nardi (The Juniors School ELSA). They met lots of new grown ups. All children behaved fantastically and represented the Infants well. The children were shown the junior classrooms, library, music room, hall etc. Where the toilets are-very important! Then they explored the outdoor spaces. They even got to have a little playtime over there!

Each child had a tick list to spot things on their way around. On the reverse of the sheet are a couple of questions for your child. Please do ask them all about their time visiting Hatch Warren Junior School!

If they would like to complete this, please fill in at home with parents/carers. If they/you would like to share anything raised from their visit, please speak to their Class Teacher or teaching assistant to discuss further.

5th July 2027

General Reminders

- **Allergies - Please remember we are a nut and shellfish free school. Please ensure items containing these are not sent in to school in your child's lunchbox.**
- **Punctuality** - A reminder that the classroom doors open between 8.45 – 9am to enable a staggered drop off. We have noticed an increase in lateness in some children. This impacts hugely on their learning so please ensure your child is in school on time. If punctuality continues to be a concern, schools have a responsibility to follow this up with possible legal action.
- Please do not play or kick balls or ride scooters on the playground during school drop off or pick up.
- *If your child has a medical appointment and is going to be late in to school you will need to order their lunch in advance. Please let the office know which lunch option they would like at the same time you advise of the appointment (or check with the office the lunch options that day if you need to).*
- *The play equipment **must not** be used before or after school – our insurance is not valid. **Children have been told that if they are caught using the play equipment before or after school, they will lose dojo points.***
- We are looking for some volunteers that may be able to commit to helping in school on a regular basis. This may be to get experience of working in school before completing childcare training or just because you have some spare time on your hands and would like to be involved in school life. You could help with the library, gardening, run small groups or help hear those children that don't read at home. If you are interested in this,

please email parent.mail@hwis.hants.sch.uk¹. We would need to initiate a DBS (safeguarding check).
