

WEAR PURPLE DAY!

♥ A little change makes a big difference!

Friday 16th October

♥ Wear purple to show your support!

Children can come to school wearing their own clothes, with something purple! ♥

Please send

£2 per child

£1 goes towards funding the school

+

£1 goes towards Phil's fundraising events ♥

Behind the challenge... ♥

Phil is a dad at our school and is running the London Marathon 2027 for Asthma + Lung UK.

His motivation is his daughter, Lola-Mae, who attends our school and has asthma.

Asthma can make everyday things a little harder — like playing, running and even just breathing at times. That's why Phil is taking on 26.2 miles, to help create a future where every child with asthma can breathe easier and live healthier, happier lives.

Every £1 makes a difference ♥

Lola-Mae

We're so proud of her and so grateful for all the support for Phil's marathon!

Thank you for your support!

ASTHMA + LUNG UK

For every breath

Supporting people with asthma and lung conditions, and funding life-changing research.
