Year R Pop up play village

We are beginning to think about our next topic after half term. We will be focusing on growing up and different job roles that we might want to do. To start our topic off in an exciting way, we have invited the pop up play village to come to school to carry out workshop sessions with the children on Monday 2nd November. This will be an opportunity for the children to dress up, role play and learn about different job roles and the different things that are involved such as working in a vets, supermarket, hairdressers and lots more. As this is a paid event we are asking for the amount of £5.00 per child for their morning session. Please can we ask that this is paid via Arbor by Friday 30th October. Please speak to the school office if you need support with paying for the event. We are hoping this will be a great, engaging way for the children and staff to start their new topic.

Many thanks

The Year R team
