Phonics stay and learn session - YR

Dear Parents/Carers

As you are aware, Mrs Flodman will be running a phonics support evening for those parents new to the supersonic phonic friend scheme and how to support your child at home with their early reading on **Thursday 5th November**. After this session there will be an opportunity for you to come into school and attend a phonics lesson with your child on **Monday 9th November**. You will get the chance to follow the same session that your child will be carrying out including having your own whiteboard, pen and sound card to join in with all elements of the learning. These sessions will run over three half hour time slots to allow as many of you to attend as possible. These slots will run from **9:15 – 9:45, 10:00 – 10:30 and 11:15-11.45**. To get the most out of the session, the class will be split into three groups so that there is enough room for you to be able to participate fully in the classroom. We ask that if you attend you are willing to join in, show enthusiasm and get a little silly with the children during the songs and rhymes. This will be a great opportunity for you to see exactly what a phonics lesson involves and how your child is being taught in school. A sign-up sheet can be found at the door of each classroom as there are limited spaces for each time slot. Please can we also remind parents that this is a one adult event and that no siblings (including babies) are brought into school as this is still our learning time. We understand that this can sometimes be difficult but please respect the decision that has been made. This will be available to sign up for on **Monday 2nd November**. We really hope you enjoy meeting listening Len and see all the hard work that goes into early reading!

Thank you for your support,

The Early Years Team
