

Parents as Partners

At Hatch Warren Infant School we are committed to working with parents as partners to ensure that their children receive quality education and care.

Our Aims:

- To support parents as their children's first and most important educators.
- To involve parents in the life of the school and their children's education.
- To support parents in their own continuing education and personal development
- To provide an environment which promotes mutual respect of parents and staff.

Method

In order to fulfill these aims:

- We are committed to ongoing dialogue with parents to improve our knowledge of the needs of their children and to support their families.
- Through access to written information and through regular informal communication, we inform all parents about how the school is run and its policies.
- We encourage and support parents to play an active part in the governance of the school.
- We inform all parents on a regular basis about their children's progress.
- We provide opportunities for parents to contribute their own skills, knowledge and interest to school activities.
- We inform parents about relevant engagement events, workshops and training.
- We provide information about opportunities for being involved in the school in ways which are accessible to parents with basic skills needs, or those for whom English is an additional language.
- We hold meetings which are accessible and appropriate for all.
- We welcome the contributions of parents, in whatever form they take.
- We inform all parents of the systems for registering queries, complaints or suggestions and check to ensure these are understood. All parents have access to our written complaints procedure.
- We provide opportunities for parents to learn about the school curriculum and about children's learning, in school and at home.
